D+ News: September 2018

- Archaeologists from **Australia** and **New Zealand** have recovered evidence that people lived in the Australian arid zone in western desert 50,000 years ago.
- **Bangladeshi** Prime Minister Sheikh Hasina received two international awards -- the IPS International Achievement Award and the Special Distinction Award for Leadership -- for her humanitarian and responsible policy in hosting the Rohingyas and for her far-sighted leadership over the Rohingya issue.
- **Croatian** footballer Luka Modric was named the world's Best Male Player at the Best Fifa Football Awards.
- **Canadian** scientists have discovered mummified remains of two ice age animals — a caribou calf and a wolf pup — near Dawson City, Yukon.
- **Djibouti** and **Eritrea** agreed to a peace accord, effectively ending a decade-long border conflict between the two countries.
- China inaugurated the Chinese Embassy in the **Dominican Republic** almost five months after the two nations established diplomatic relations.
- Shady Rabab of **Egypt** won the 2018 UN Young Champions of the Earth Prize for addressing poverty and waste management in Egypt by making musical instruments from trash and training young people in a band.
- **English** scientists have succeeded for the first time in wiping out an entire population of malaria-carrying mosquitos in the lab using a gene editing tool to programme their extinction.
- **Germany** rolled out the world's first hydrogen-powered train, the Coradia iLint, in northern Germany powered entirely by eco-friendly hydrogen fuel cells.
- **Iran** retained its status as the Asian Games champion in men's team volleyball by defeating the Republic of Korea (KOR) 25-17, 25-22, 25-21 in Asian Games final.
- Naomi Osaka of **Japan** defeated Serena Williams, 6-2, 6-4, to win the 2018 US Open women's singles tennis title, becoming the first Japanese player to win a major singles title in the history of the sport.
- **Kenyan** runner Eliud Kipchoge smashed the marathon world record, winning the Berlin race in 2 hours, 1 minute, 39 seconds, slicing a staggering 78 seconds off the previous best recorded by Dennis Kimetto.
- A new law in **Morocco** criminalizing violence against women, which includes a ban on forced marriage and sexual harassment in public places, went into effect.
- **South Africa** declared an official end to the world's worst recorded listeria outbreak after it killed 216 people and sickened more than 1,000 since early 2017.
- **South Sudanese** doctor Evan Atar Adah won the prestigious UNHCR Nansen Refugee Award for his outstanding 20-year commitment in providing medical services to people forced to flee conflict.
